

Making websites accessible for everyone in Manitoba.

We help Manitoba organizations create inclusive digital experiences that are accessible, usable, and compliant with accessibility standards.

AODA & WCAG Compliant

Meet WCAG 2.1 AA standards and comply with The Accessibility for Manitobans Act.

Inclusive for All Manitobans

Design with everyone in mind—regardless of ability, device, or situation.

Better Experiences, Better Results

Improve usability, engagement, SEO, and overall performance.

Local Expertise, Local Impact

We understand Manitoba organizations and the communities you serve.

Accessible Manitoba

Inclusive today.
Stronger communities tomorrow.

Inclusion is good for everyone.

Inclusive by Design

Accessibility is considered in every step, from planning to launch.

Meets Legal Requirements

Aligned with AODA, The Accessibility for Manitobans Act, and international standards.

Usable on Any Device

Accessible websites work better across all devices, browsers, and assistive technologies.

Stronger Organizations

Reduce risk, increase reach, and demonstrate your commitment to accessibility and inclusion.
