

# Making websites accessible for everyone in Nova Scotia.

We help Nova Scotia organizations create inclusive digital experiences that are accessible, usable, and compliant with accessibility standards.

**WCAG & AODA Compliant**  
Meet WCAG 2.1 AA standards and comply with Nova Scotia's Accessibility Act.

**Inclusive for All Nova Scotians**  
Design with everyone in mind—regardless of ability, device, or situation.

**Better Experiences, Better Results**  
Improve usability, engagement, SEO, and overall performance.

**Local Expertise, Local Impact**  
We understand Nova Scotia organizations and the communities you serve.

## Accessible Nova Scotia

Inclusive today.  
Stronger communities tomorrow.

**Inclusive by Design**  
Accessibility is considered in every step, from planning to launch.

**Meets Legal Requirements**  
Aligned with AODA, the Accessibility Act (Nova Scotia) and international accessibility standards.

**Usable on Any Device**  
Accessible websites work better across all devices, browsers, and assistive technologies.

**Stronger Organizations**  
Reduce risk, increase reach, and demonstrate your commitment to accessibility and inclusion.
