

Website accessibility in Quebec.

Accessible today. Inclusive tomorrow.

Accessible Quebec

Inclusion today.
Stronger communities tomorrow.

We help organizations in Quebec create inclusive digital experiences that are accessible, usable, and compliant with accessibility standards.

Built Inclusive by Design

We design and develop websites that work for everyone, every time.

Compliant with Standards

We meet WCAG 2.1 AA standards and comply with the Quebec Act respecting accessibility.

Usable for Everyone

We create seamless experiences for all users—regardless of ability, device, or situation.

Better Experiences. Better Results.

Improve usability, engagement, SEO, and performance across your website.

Inclusive by Design

Accessibility is integrated from the start of every project.

Aligned with the Law

We help you meet the requirements of the Act respecting accessibility for persons with disabilities.

Works on Any Device

Accessible websites across all devices, browsers, and assistive technologies.

Stronger Impact

Remove barriers, reach more people, and build trust in your organization.
